

This post is about the property and land conveyances of three generations of my family. Among them are enslaved persons, all but one named, who were willed from generation to generation. I hope that this helps other researchers.

[John Thomas Philpott](#), my 7th great-grandfather, was the son of:

[Charles Philpott](#), 19 February 1698 • Charles, Maryland, British Colonial America – 12 November 1753 • Charles, Maryland, British Colonial America
and

[Elizabeth Barton Smoot](#), 1704 • Wicomico, Charles, Maryland, British Colonial America – 1757
• Port Tobacco, Charles, Maryland, British Colonial America

I will link to my public tree wherever possible. Please note that spellings vary because spelling was not yet standardized in the 18th century.

[John Thomas Philpott](#)'s birth, marriage and death dates are estimates. He was married first around 1745 to Mary Posey. It is believed that they had two sons, [David](#) and [John](#). She may have died giving birth to [John](#) around 1750. [John Thomas Philpott](#)'s second wife was [Mary Keech](#), widow of [Richard Glover](#). She was the administratrix of [Richard Glover](#)'s estate around 1750 and had a son named [Philip Glover](#), DAR Patriot #A045742.

From an inheritance from his father, [Charles Philpott](#), and from a cousin named John Philpott (I have not been able to place him in my tree yet), [John Thomas Philpott](#) became the owner of a large tract of land in Charles County, Maryland known by the names "Courtes Pallace", "Cow Grave Yard", "Philpots Chance" and "Fernleys Rest." He was also the owner of a tract of land called "Walkers Runn." He was a large-scale Charles County Planter, raising tobacco. At his death in 1762, he enslaved 10 people ranging in age from 55 years to 2 years old. At the time he wrote his last will, his youngest son was yet not born, and therefore was not mentioned in his will.

[John Thomas Philpott's](#) will was dated October 16, 1761 and was probated March 30, 1762. His inventory was appraised on April 15, 1762 and his brothers [William Philpott](#) and [Barton Philpott](#) were listed. (Charles County, Maryland. Inventory Liber 78 Folio 25-27.)

Signed Mar 29, 1748 - [Charles Phillpott](#). Wit - Sarah Yates, Robt Yates, Jno Winter.

Charles County Land Record Book A#2, 1752-1756; Page 104 (89)_ Feb 22, 1753 from Benjamin Philpot of C[harles] C[ounty], planter, to John Philpot of C[harles] C[ounty], planter, for 10 pistoles in gold and 20,000 lbs of tobacco, all these tracts of land in C[harles] C[ounty] on the west side of Allens fresh, late in the possession and the property of John Philpot Jr of C[harles] C[ounty] decd, and by him in his will devised to John [Thomas] Philpot, party in this deed, commonly called Courtes Pallace, Cow grave yard, Philpots Chance, and Fernley's Rest, and also part of another tract of land, not named in ad will, adjoining the lands afd, and on the east side and adjoining the dividing line heretofore made by Edward Philpot, grandfather to these parties, in his will, and late in the possession and the property of sd John Philpot Jr decd, all that part lying on the east side of the dividing line afd, called Philpot, according to the bounds expressed in the several grants by which the sd lands have been held. Signed -

Charles County Land Record Book A#2, 1752-1756; Page (383). Sep 6, 1755 from [John \[Thomas\] Philpot](#). (Philpott) of C[harles] C[ounty], planter, to James Campbell of C[harles] C[ounty], merchant, for 31,200 lbs of crop tobacco, part of a tract of land called Walkers Run, on the west side of Wicocomoco River in C[harles] C[ounty], bounded by Hospital Run, containing and laid out for 156 acres. Signed [John \[Thomas\] Philpott](#). Wit – Jno Winter, Jas Nivison. [Mary](#), the wife of the afd [John \[Thomas\] Philpott](#), relinquished her right of dower to the lands within mentioned. Recorded Sep 13, 1755.

Charles County Land Record Book A#2, 1752-1756; Page (481). Apr 10, 1756 from [John \[Thomas\] Philpott](#) of C[harles] C[ounty], son and heir apparent of [Charles Philpott](#), late of C[harles] C[ounty], decd, planter, to James Campbell of C[harles] C[ounty], merchant. A certain James Walker, late of C[harles] C[ounty], had, on Aug 17, 1658, granted unto him, a tract of land on the west side of the head of Wiccomico River in C[harles] C[ounty], bounded by an oak near a fresh run called Walkers Run, and containing about 200 acres, one moiety of which, by sundry assignments, conveyances, devices, and mutations of possession, became the right of [Edward Philpott](#), father to the afd [Charles](#). The other moiety in like manner became the right of William Ward, who died seized thereof, intestate and without heirs, by means of which the same became escheat when, on Apr 10, 1715, all that moiety of the afd parcel of land sd Ward died seized of, was granted to the afd [Edward Philpott](#) by escheat patent. But since then, it became apparent that on the resurvey of the last mentioned moiety, land was included therein which, to the sd moiety or original tract did not belong, whereby the part of that moiety gotten by escheat, was still left out and liable to be escheated by the first discoverer. On Mar 3, 1756, afd [John \[Thomas\] Philpott](#) was granted 25 acres called the Miraculous Pitcher, which was the remaining part of the last mentioned moiety left out of the escheat patent. Sd John Philpott, having a device from the afd [Edward Philpott](#) to the above named [Charles](#), and by descent from sd [Charles](#), his father, has an estate of inheritance to the whole tract of land. Therefore, sd [John \[Thomas\] Philpott](#), for 40,000 lbs of tobacco, sells to the sd James Campbell, all the above mentioned tract of 200

acres, one moiety whereof the sd [John \[Thomas\] Philpott](#) owns under the original grant, the other, by the two escheat grants afd. Also, for 4000 lbs of tobacco, sd [John \[Thomas\] Philpott](#) sells to sd James Campbell a parcel or part of a tract of land called walker, lying on the west side of the head of Wiccocomico River in C[harles] C[ounty], and on the north side of Walkers or the Hospital Run and on the south side of the afd 200 acres, bounded by Charles Bruce's land, the head of Walkers or the Hospital Run, containing about 20 acres, being part of a device by [Edward Philpott](#) afd to his son [Charles](#) afd. Also, sd [John \[Thomas\] Philpott](#), for 3000 lbs of tobacco, has sold to James Campbell a tract of land in C[harles] C[ounty] on the west side of Wiccocomico and adjoining the 1st mentioned tract, containing and laid out for about 16 acres, and called The Out Lett, as appears by patent to the above named [Chas Philpott](#), dated Jul 10, 1725. Signed - [John \[Thomas\] Philpott](#). Wit - Jno Winter, Robt Yates. [Mary](#), the wife of the sd [John \[Thomas\] Philpott](#), relinquished her right of dower to the lands within mentioned. Recorded Apr 12, 1756.
