

I am so grateful for my 8 patrons! They are leading the way, supporting me and the podcast in the months of this first year. To see their names, please visit the [Patron page](#). But to encourage more people to join up at whatever level they choose, I have updated my goals for [Patreon support](#). Here's what I'll do for you as support grows:

- When I reach 20 patrons, I will give a 2-hour phone lesson, and an interview on the podcast, to ONE randomly-chosen Sprouts, Seedlings, or Roots-level member.
- When I reach 40 patrons, I will give a 2-hour phone lesson, and an interview on the podcast, to TWO randomly-chosen Sprouts, Seedlings, Roots, or Branches-level members.
- When I reach 60 patrons, I will give a 2-hour phone lesson, and an interview on the podcast, to THREE randomly-chosen Sprouts, Seedlings, Roots, Branches or Leaves-level members.
- When I reach 80 patrons, I will give a 2-hour phone lesson, and an interview on the podcast, to FOUR randomly-chosen Sprouts, Seedlings, Roots, Branches, Leaves or Blossoms-level members.

Thanks again for being a part of this experiment.
