

Twitter bots attacked my account and I can't get in, so I have a new one - [fppppodcast](#). Yeah, I reported a fascist and BAM! So, THAT happened.

Otherwise, I want all of 2021 to be audience participation time. Please join me with your family stories about life on the homefront during World War II. No matter where you're from, I want to hear how your family dealt with radical life changes, deprivation, and even loss of family members - we need to learn from their strength and sacrifice in this, our time of trial, the COVID-19 pandemic. Listen in for how to participate. I'm excited to start to work on relating our family histories to present-day challenges.

You can join my Facebook group by visiting [this page](#) for the link.

Please follow my YouTube channel [here](#) - I will be doing more videos face to face, and perhaps even some live, with chat and everything!
