

2021 is *definitely* in the running for my least favorite year EVER! It has given me reason to reexamine what I'm doing, however, both with the podcast and with my own work. Join me for a list of thank-you's, and for an introduction of the quickest, easiest solution I've found so far to distractions, brick walls, and the genealogy blues - #BioADay2022. Let's join together to hold one another accountable as we actively learn more about our ancestors by generating and augmenting short (as in, 2-minute) biographies for ancestors using Ancestry with FamilySearch and WikiTree. 2022 is not going to start off as an easy year, but we can help one another through it together and get higher-quality research out of it as a squadron than we might flying solo. Thank you for being with me in 2021 - now, on to 2022!
