

It's our first mail bag, filled with questions and answers from the FPPP community! What's up with Ancestry, which of their records are good, do you believe a record over a human or vice-versa, and how do you make your slave-holding ancestors' info available to researchers of color? There are lots of goodies in this bag, provided by the entire group, so hop on in with us - there's plenty of room. Also, I'm introducing everyone to a new episode concept, and am asking for recipes for the new Family Cookbook series, a mini-ep within the FPPP podcast series. And finally, there's homework - prepare yourself for a lesson (or two) in the wonders of genealogy on Twitter by dipping your toe in the water of genie Twitter. Ready? Steady? Listen!
