

This episode is both a video and the soundtrack of that video. Normally, my videos are for Patreon subscribers only, but I thought that this quick little how-to about verifying qualifying patriots for the [Daughters of the American Revolution](#), cleaning up their profiles in [Ancestry](#), and using [pixlr.com](#) to make each one a unique profile photo would be interesting to a lot of people.

But please, if you find value in this podcast, support me for a few dollars a month at [patreon.com/ancestorsalive](#). It takes time and money to do all that I do.

Ultimately, I think you'll want to watch the video (which is captioned in English), but enjoy the audio as well!
