

You can watch this video with captions in English, so it's full accessible to English-speakers! It's about a new feature of FamilySearch's Family Tree app, called My Contributions. It allows you to track a number of metrics on a year-by-year basis. It's helping me to see what I've done so far in the one-word family tree AND set goals for 2020.

If you like this video, support me monthly on [Patreon](#) and gain access to a cache of similar content. I like creating desktop and phone screen videos for how-to lessons because it's so much easier to literally SHOW people how to use various tools.
